

A)

A large, bold, black uppercase letter 'A' is centered on a light gray grid. The grid consists of a central vertical line, a horizontal line across the middle, and two diagonal lines forming an 'X' shape. The letter 'A' is positioned such that its top point is at the intersection of the vertical and diagonal lines, and its base is on the horizontal line.

B)

A large, bold, black uppercase letter 'B' is centered on a light gray grid. The grid consists of a central vertical line, a horizontal line across the middle, and two diagonal lines forming an 'X' shape. The letter 'B' is positioned such that its vertical stem is on the central vertical line, and its two curved bowls are symmetrically placed on either side of the horizontal line.
